REALITY Art Exhibition Query

This is a form to help REALITY - Đà Nẵng track and organize art shows in our space.

We welcome artists of all genres and media, though this form is specifically for visual art installation and exhibition. If you're interested in holding a performance or another form of time-based art, please use the Event Proposal Form.

We will do our best to accommodate requests and preferences, but please understand we are a very busy very multi-use space, and we basically always need all the help we can get :)

Guidelines:
: Due to the amount of work involved in hanging art, producing online and physical marketing, and scheduling for opening parties, we strongly preference shows that can stay up for a full month.

: We ask for a 30% commission on pieces sold at REALITY.

: Due to the mores of our beloved Việt Nam, there are some subject matters that are difficult or impossible for us to show.

: We cannot warranty or ensure the work hung at REALITY, though so far we have an excellent track record of respectful guests and undamaged art.

: We do accept queries for group shows so long as there is a clear curator or point of contact; interfacing with potentially dozens of artists at once far exceeds our bandwidth.
